ONE MAN CULT!

GEORGE DAMIFINO WOKE UP ONE MORNING AND FOUND HE WAS THE ONLY HUMAN ALIVE WITH TOTAL FREE WILL!

NO MORE SLAVE OF FATE...

HE KNEW IT MUST BE THE SIGN FROM GOD TO CLEAN UP THE NATION.

I KNOW IT MUST BE THE SIGN FROM GOD TO CLEAN UP THE NATION.

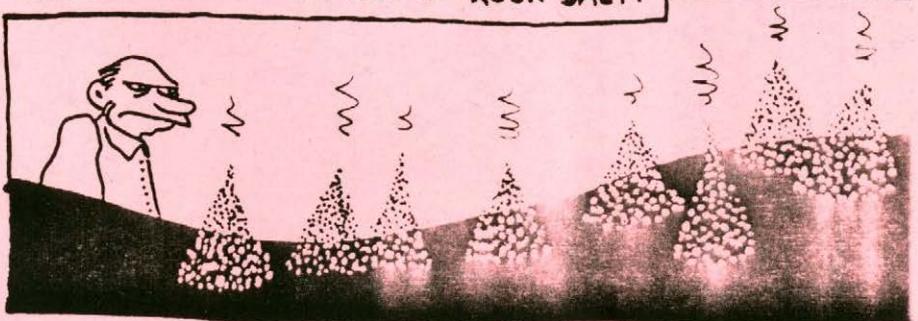

FIRST, HE WILLED RAINS OF DESTRUCTION (FIRE, BLOOD, ETC ON THE MAJOR CITIES, ALL OF THEM CENTERS OF INIQUITY...

THIS PLEASES ME TO NO END.

AND FOR THE REST, HE SINGLED OUT ALL GAYS, FEMINIST HUMANISTS, DRIVERS WHO NEVER SIGNAL, WOMEN WHOSE GUMS SHOW WHEN THEY SMILE, AND SMALL, YAPPY DOGS AND WILLED THEM INTO PILES OF ROCK SALT.

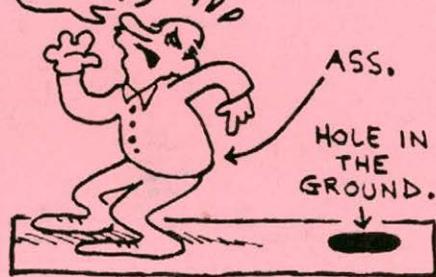

THEN, FOR GOOD MEASURE, HE WILLED EVERYONE ELSE INTO SMALL FLIGHTLESS AND LEGLESS BIRDS. NO ONE ELSE COULD POSSIBLY BE AS DIVINE AS HE ...

BUT THEN HE REALIZED HE'D LOST HIS BIBLE! HE TRIED TO WILL IT BACK, BUT HIS POWER HAD GONE AS ODDLY AS IT HAD APPEARED!

WITHOUT HIS BIBLE HE COULDN'T MAKE ANY DECISIONS. HE WAS IN A FIX ---

OH HEAVENLY FATHER, I BESEECH YOU, HELP ME!
I CAN'T DECIDE WHICH IS WHAT!

© OF COURSE THERE WAS NO REPLY, AND THERE NEVER WOULD BE ONE. THE SKY WAS EMPTY.

HEY, MAN, YOU INTO LEATHER?
by Bruce N. Duncan.

Leather in different parts of the humanly inhabited world has had special meanings ascribed to it other than simply utilitarian value or decoration. Values of power, sex, and masculinity have been ascribed to leather.

In native Africa, the part of the world most known for fetishes, a carved wooden fetish figure sculpture would often have leather attached to it in some fashion as an enhancement for its magic. The African fetishes often had sexual meaning (a wooden idol might be carved with an erect penis), so that values of power and sex could be bound up with leather as used to decorate or adorn a statue.

In many tribal cultures, and on the American frontier, wearing a leather outfit was an emblem and/or supposed enhancement of power or strength, and might indicate rank.

Among some people in modern societies, leather clothing or adornment is felt to be supportive of personal and/or group strength, often of masculine strength; the Hell's Angels dig wearing leather partly as symbolic of masculine pride and togetherness, while some persons just as individuals emphasize their masculine feeling with leather (one common article: a leather wrist-band), or (sometimes with women) stress toughness or show alliance with the male in this way. Leather as an emblem of defiant or rebellious strength may be seen worn both by outlaw bikers and, with attenuated meaning, by punk-scene youth.

We can see much erotic or sexual identification with leather in some sexually aberrant categories of people, particularly sadomasochistic people. Some people who have their sexual identity bound up with leather may speak of wearing leather as having a welcome second skin; the sensual bliss of leather can be such that some people wear leather underwear. Of course, a whip, an object commonly used in S/M, easily involves the use of leather; and bondage may easily involve the use of leather. In the S/M Society of Janus in San Francisco, some members have reported on their leather feelings: one homosexual male masochist at Janus has spoken of masturbating during early puberty in a closet underneath his older brother's leather jacket; and one lesbian sadist who has been a leading member of the San Francisco S/M community has written that she always loves to go out wearing her leather jacket, feeling enhanced in a special way when stepping out in the world. For a sadist or dominant person in S/M, wearing leather may represent or enhance a masterful rank.

Of course, a belt or strap is commonly made of leather. In some households, a man wears or keeps a leather strap to use punitively on his woman at times he deems appropriate. For many generations, the razor strop, man's belt, or other leather strap has been an emblem and instrument of the husband and father's authority in a marriage.

The special processing of animal skin to make leather is a peculiarly human practice. While social insects are seen to make elaborate edifices, and chimpanzees in the wild are seen to make tools -- to mention two kinds of making in the animal kingdom --, man is the only creature that makes leather. While leather serves for clothing, containers, and coverings of obvious practical value, values of beauty, rank, magic, power, sex, and gender in the use of leather are one clear example indeed that "man does not live by bread alone".

LET'S PLAY... — THE FALWELL GAME!

I THINK WE ALL KNOW WHO AND WHAT JERRY FALWELL IS. SO WHAT IS THE FALWELL GAME? BASICALLY, THE FALWELL GAME CONSISTS OF AN ATTEMPT BY PLAYERS TO SQUANDER JERRY FALWELL'S MILLIONS. THE VAST MAJORITY OF PLAYERS ARE SIMPLY CALLING 1-800-446-5000 AND HANGING UP. JERRY FALWELL HAS ONLY 50 PHONES AT HIS LIBERTY BAPTIST CHURCH INSTALLATION, AND YOU CAN SEE HOW THIS COULD PRESENT QUITE A PROBLEM FOR HIM. GOOD LUCK JERRY! HEAR YOU BEEN BUSY? THERE IS A RUMOR THAT HE IS RECEIVING HANG-UP CALLS AT THE RATE OF 120 PER HOUR. IF THIS WERE TO BE INCREASED BY 5,625, 3,125 (THE PROGRESSION OF INCREASED NUMBER OF PLAYERS SHOULD YOU BE ABLE TO INITIATE 5 PLAYERS INTO THE GAME WHO, IN TURN, BRING IN 5 MORE PLAYERS...) THEN THERE WOULD BE NO CALLS GETTING THROUGH AT ALL. SECOND DEGREE PLAYERS OFTEN CALL JERRY'S TOLL-FREE NUMBER AND SIMPLY ASK FOR INFORMATION ON HOW TO BECOME A FAITH PARTNER TO BE MAILED TO THEMSELVES THEIR FRIENDS, OR EVEN TO TOTAL STRANGERS!! CERTAINLY, EVEN IF YOU DO NOT INTEND TO BECOME A FAITH PARTNER, YOU ARE ENTITLED TO INFORMATION ABOUT BECOMING ONE. SOMEONE TOLD US THAT AN ACCOUNTANT ESTIMATED THAT IT COSTS JERRY FALWELL \$12 PER YEAR TO KEEP YOU ON HIS MAILING LIST. DEDICATED PLAYERS OF THE FALWELL GAME ARE CALLING 1-800-446-5000 AND PLEDGING TO BECOME A FAITH PARTNER, WITH THE INTENT OF NOT PAYING (NORMALLY ONE IS EXPECTED TO PAY \$10 A MONTH) IN RETURN FOR SUCH A PLEDGE. A PLAYER RECEIVES A FREE BIBLE IN THE MAIL!! LIBERTY BAPTIST CHURCH WILL BE ECONOMICALLY RAZED AFTER SENDING OUT 12,000 FREE BIBLES SETS (THEY HAVE ALREADY SENT OUT, BY ONE CALCULATION, 1346).
